GUNITE-DRY & WET PROCESS SHOTCRETE, Refractory & Concrete Pumping Equipment

WE are THE FULL SERVICE SUPPLIER to the very specialized SHOTCRETE INDUSTRY. The pages in our BUYERS GUIDE are your most accurate and complete reference source. With over 39 years of experience, we offer only the best items from just a few manufacturers. We own what we sell (no consignments). We stock it, we can usually ship it same day.

Our policy is professional service to you, and highest performance quality products from us. We'll have it right the first time, whether it be new equipment or later parts support. Your calls to order or inquire are welcome, 24 hours a day, holidays and weekends too. After hours, we put our phones on call forwarding so you might reach us any time, anywhere.
